Day 4: Ngarenanyuki – Tarangire National Park

After breakfast set off on safari with your private car and driver to Tarangire National Park (approx. 210 km). Named for the river that nourishes the wildlife of a vast ecosystem, Tarangire is home to elephant, zebra, wildebeest, gazelle, buffalo, eland, water buck, lion, giraffe, onyx and an unsurpassed diversity of birds. From June to November, masses of wildlife congregate around the river, but the park is a stronghold for big game year-round. Take your first game drive before retiring to your beautifully designed lodge, hidden among ancient baobab trees and giant rock kopjes within the park. *Tarangire Safari Lodge - Breakfast, Lunch and Dinner included*

Day 5: Tarangire National Park – Lake Manyara National Park.

After breakfast you depart for Lake Manyara National Park. Nestling at the base of the Great Rift Valley escarpment, A beautiful park, Lake Manyara contains a diverse range of habitats and topographical features ranging from the rift wall, ground water forest, acacia woodlands and open grasslands to the shores of Lake Manyara and the lake itself. Have afternoon game viewing in the park searching for the diverse flora and fauna of the park. There are some 350 different bird species in the park. The park provides sanctuary to a variety of animals such as the gazelle, impala, buffalo, wildebeest, hyena, baboon, giraffe, hippo and the famous tree-climbing lions that are unique to the Lake. The park is generally recognized for its incredible beauty. [Lake Manyara Serena Lodge - Breakfast, Lunch and Dinner included](#)

Day 6: Manyara – Lake Natron

Breakfast and drive to Lake Natron, off the beaten path and away from the crowded places. The route takes you through the cultural home of the Maasai. On the way, you will pass Engaruka, an archaeological site of the Stone-age settlement, as well as the majestic Ondonoyo Lengai mountain which is the only active volcanic mountain in the Great Rift Valley. Lake Natron will fascinate you with its colors, varying from pink, lime, green and red due to the concentration of minerals and possibly the flamingoes! It is an almost surreal and breathtaking landscape which will leave you in awe! Arrive in the late afternoon for brief check in, followed by bird watching, flamingo and sunset walk around the lake. [Lake Natron Tented Camp - Breakfast, Lunch and Dinner included](#)

Day 7: Lake Natron

Full day dedicated to the excursions by the Lake. These can be observing flamingoes and other birds, walking by the lake with a guide, exploring the waterfalls, hike to the hominid footprint etc. There is plenty to do. In the evening enjoy the sundowner overlooking Lake Natron, the majestic Lengai and Gelai mountains and watch the sun goes down behind the escarpment of the Great Rift Valley. Day 8 & 9: Serengeti National Park (Northern Serengeti)

The next 2 days you will drive as you follow the migrations paths depending with the location. We will spend the day following the great migration of about 1.5 millions Wildebeests and 500,000 Zebras migrating through the Serengeti Ecosystem. Dangers is everywhere and packs of lion, cheetah and other carnivores are everywhere waiting for the right moment to strike. Crocodiles in Serengeti river does no mercy as the herds cross the river. Thousands are swept by the arrogant waters and the scenes are amazing. Later in the early evening you will drive to your mobile luxury camp for overnight rest. [Angata Tented Camp - Breakfast, Lunch and Dinner included](#)

Day 10: Lake Victoria

You will enjoy a morning game drive as you leave the park and drive to Lake Victoria area for 1 day stay. You will have the option to relax and optional tours are available from the lodge [Speke Bay Lodge - Breakfast, Lunch and Dinner included](#)

Day 11 - 12: Serengeti National Park

Spend another day exploring the Serengeti National Park staying at a different location. [Serengeti Sopa Lodge -Breakfast, Lunch and Dinner included](#)

Day 13: Serengeti National Park – Ngorongoro Highlands

You will enjoy yet another morning game drive in Serengeti. Drive back to the lodge for breakfast and check out

before starting your journey to Ngorongoro.

This afternoon you will relax and enjoy the breathtaking spectacular views of the Ngorongoro scenery, the largest unbroken caldera in the world. Dinner and overnight at your game lodge.

Note: a warm jacket or cardigan is highly recommended. [Ngorongoro Sopa Lodge -Breakfast, Lunch and Dinner included](#)

Day 14: Ngorongoro Crater

This morning we drive and descend some 610 meters into the crater, which is home to an abundance of wildlife and a photogenic paradise, for a full day of game viewing drive with picnic lunch at a private scenic site (hippos pool). Ngorongoro Crater, the largest intact caldera in the world teems with an abundance of wildlife permanently resident on the crater floor. Prides of lions, herds of Cape buffalo, impala, Thompson gazelles, rhino, golden and black backed jackal, zebra, cheetah, leopard and the spotted hyena freely roam on the crater floor plains. Unmatched for its natural variety and breath taking beauty, there are few places on earth where such a tremendous diversity of landscapes exist inside a region this size. Apart from its wildlife riches, the crater is also home to hundreds of bird species, refreshing in the small lakes in the crater floor.

In the evening we drive to our game lodge for overnight stay. [Ngorongoro Sopa Lodge -Breakfast, Lunch and Dinner included](#)

Day 15: Lake Eyasi

After breakfast we will drive to the shores of Lake Eyasi. We arrive in time for lunch at the Lake Eyasi lodge.

Lake Eyasi is a very scenic soda lake found on the southern border of the Ngorongoro Conservation Area. This less visited lake lies at the base of the Eyasi escarpment on the western rift valley wall. This afternoon you will be introduced to the extraordinary people who belong to an indigenous tribe known as the 'Hadzabe' (hunter-gatherer bushmen). The tribe inhabits the shores of Lake Eyasi as do the Nilotic-speaking Datoga tribe. You will visit these tribes, which will include a visit to their homesteads, learn about their way of life, animal tracking, medicinal plants, and much more. Some wildlife and a wide range of bird species can be viewed during walks around the lake, which can be arranged.

End the activity and return to the lodge for overnight rest.. [Lake Eyasi Lodge Breakfast, Lunch and Dinner included](#)

Day 16: lake Eyasi – Arusha

After breakfast you will drive to Arusha where you will finish your trip. A transfer to the airport is included.

Please note: Although the safari guides will endeavor to ensure you see the widest variety of wildlife possible on your explorations, sightings are never guaranteed and are dependent on seasonality as to what wildlife you are more likely to discover.
